S'mores Pizza

source: eatboutique.com | Servings: many

INGREDIENTS

- 1 package of graham crackers
- 1 bag miniature marshmallows
- 1 bag chocolate chips

DIRECTIONS

Line a cookie sheet with parchment paper and lay out your graham crackers, putting your “slices” together. Top with miniature marshmallows and chocolate chips.

Bake at 300•F for about 10 minutes or until marshmallows start to brown and everything is a gooey chocolaty mess!

Plop the tray down on the table and watch everyone dive for it.
